

Eisenhower Medical Center: Committed to the Community It Serves

From its beginnings more than 40 years ago, Eisenhower Medical Center has grown and evolved alongside the community it serves. And while today it is admired as an innovative regional medical center, Eisenhower retains the heart of a community hospital — and its commitment to serving the residents of the Coachella Valley is stronger than ever. We strive to meet the needs of our community and provide health care excellence.

Be sure to note the many lectures and events in the "Upcoming Events" section.
