

Eisenhower's Fall Line-Up Proves to be Action Packed

With the summer months waning and cool mornings becoming part of our daily routine, Eisenhower is preparing for an active fall season. Please note the many lectures offered over the next month and we encourage you to join at least one of the walks described below benefiting our great community organizations.

Each year, the Eisenhower Medical Center Auxiliary presents the **Eisenhower Five Star Gala** -- this year on **December 7 at the Westin Mission Hills Golf Resort & Spa**. This not-to-miss event will celebrate cutting edge technology and Eisenhower's commitment to elevate medical diagnostics to the digital era. Proceeds will be directed to the acquisition of state-of-the-art, hand-held ultrasound devices and other diagnostic equipment for our inaugural class of residents and faculty of the School of Graduate Medical Education.
