

Physician of the Month July 2012

Joseph Wilson, MD

By: Cesar Davlantes

Having worked with Dr. Wilson directly for 17 years has allowed me to understand just how skilled and dedicated he is to his craft and his patients. More recently he has coalesced his surgical team and his nursing and technical staff with his professionalism, his kindness, and his friendship to a level of heightened performance and patient outcomes. As an employee of EMC and also as a family member to one of his patients, I can genuinely state that Eisenhower Medical Center is truly blessed to have such a wonderful, skilled, and dedicated practitioner as their cardiothoracic surgeon.
